

clever mobility

clever mobility

Griass eich die Madln, servas die Buam!

*A way to say hi to girls and boys in an Austrian dialect, made famous by Heinz Conrads.
(What? You don't know him? ... have a look on YouTube. Legendary.)

clever mobility

Hi! It's us - Scoot & Ride, arguably the most innovative scooter company in the world.

Our passion is to create and design new products for our little customers every day. Our products have been on the market since 2010 and we are proud to have children in over 60 countries around the world having fun with our products. There are products for every age group from 6 months to over 12 years: great design and clever functionality with the highest safety standards.
