our certification labels

recycled fabrics

Recycled fabrics offer significant environmental benefits by **reusing materials** such as plastic bottles and old textiles.

This helps reduce waste and lessen the demand for new raw resources, conserving energy, water, and lowering greenhouse gas emissions. This approach contributes to improving overall resource utilization, **promoting a more sustainable and circular economy.**

foodgrade silicone

Our tableware range includes items made of **100% food grade silicone.** This durable material is easy to clean, hypoallergenic, and can withstand extreme temperatures, making it **ideal for kitchen use.**

Silicone's longevity and resistance ensure it maintains functionality over time, creating sustainable products that can be **passed down to siblings or friends.** Additionally, the 100% food grade silicone complies with **all European safety standards.**

FSC® certified

This label is awarded to products made from wood with Forest Stewardship Council (FSC) certification.

The FSC® label guarantees zero deforestation, supports the shift from preservation to conservation, ensures fair wages and a safe work environment, and upholds community rights. It perfectly aligns with our vision of **securing our playground.**

organic cotton

All our textile baby products are made of organic cotton. Our **high-quality fabrics** are extremely soft and will easily endure many washes **without loss of quality or colour.**

This renewable and sustainable resource is grown without the use of harmful chemicals or pesticides.

GOTS certified

Our range consists of **GOTS certified goods.** GOTS stands for the Global Organic Textile Standard. This international quality standard ensures that textiles contain at least 70% organic materials and are produced in an **environmentally, ethically, and socially responsible** manner.

The label considers the entire supply chain and production processes, from harvesting the cotton to the final product. We hold this label in high regard as its holistic approach perfectly aligns with our **sustainable values.**

OEKO-TEX® certified

STANDARD 100 by OEKO-TEX® is a globally standardized, independent testing and certification system for textile raw materials, intermediate and end products, and accessory materials used at **all stages of processing.**

This standard ensures that textiles do not contain any harmful substances and are produced with an effective quality management system in place. The fabrics are thoroughly tested to ensure they are **safe for a baby's sensitive skin.**

Mr. Triceratops

This friend takes pride in his **stunning petrol blue colour and royal horns**. Fierce and tough on the outside, but ever-so-soft on the inside, he loves to make **everyone smile** by clowning around and cracking jokes that'll have everyone rolling with laughter. Giggles and fun guaranteed with this **prehistoric prankster!**

Mrs. Butterfly

This graceful little lady is as light as a breeze and just as delightful. Her **soft shades of pink** match her caring personality perfectly. Always up for a good laugh, she's also the friend who knows just how to **chase sorrows away**. With Mrs. Butterfly by your side, every adventure will take flight!

Mr. Bear

Your cuddliest friend in the bunch! Mr. Bear might be a bit shy at first, but once he knows you, he will **warm your heart** and stand by you, no matter what. He is widely known for giving the best, most **comforting hugs**. His **beautiful brown tone** nicely complements his warm and cuddly nature.

Mr. Dragon

Let your imagination catch fire with our dear friend Mr. Dragon! Soaring high in the sky, he makes up the **greatest tales** and tells them with so much passion that everyone is intrigued. This **gentle green giant** is as enchanting as he is charming.

Rencontrez nos nouveaux amis les animaux

Mr. Triceratops • Ne vous fiez pas à son apparence féroce et à ses airs de dur à cuire : au fond, cet ami est un vrai tendre, qui aime charmer tout le monde. Rigolade assurée si vous adoptez ce farceur de la Préhistoire !

Mrs. Butterfly • Cette gracieuse demoiselle est aussi légère et délicate qu'une plume. C'est l'amie qui sait exactement ce qu'il faut faire pour chasser un chagrin. Avec Mrs. Butterfly à vos côtés, envollez-vous pour de nouvelles aventures !

Mr. Bear • L'animal le plus mignon peut être un peu timide au début, mais une fois que vous aurez fait connaissance, il vous réchauffera le cœur et vous défendra quoi qu'il arrive. Sa jolie fourrure brune va très bien avec son caractère affectueux et chaleureux.

Mr. Dragon • Notre cher ami invente d'incroyables histoires qui fascinent tout le monde tant il les raconte avec passion. Ce gentil géant vert est aussi enchanteur que charmant.
